

3 Easy FUNDRAISERS for Southmoor Elementary School!

The PTO puts on several Fundraisers, but did you know there are several ways for our families and community to support Southmoor Elementary School? These include:

King Soopers Community Rewards Program

Connect your Loyalty Card to Southmoor Elementary!

- Go to www.kingsoopers.com via their “Discover/In Our Community” page in the drop down menu.
- Select “Community Programs” and then “Community Rewards/Learn More.”
- Once you connect your account to Southmoor Elementary King Soopers will donate a portion of every dollar you spend back to our school.

It’s an easy way to give but it only works if you register your card!

Shop through AmazonSmile

AmazonSmile is operated by Amazon with the same products, prices and features as Amazon.com but when you shop on AmazonSmile the Foundation will donate 0.5% of the purchase to Southmoor Elementary.

- Go to smile.amazon.com and select “Southmoor Partners in Excellence Inc.” as your charity on the “Your Account” page.

Box Tops for Education

We will be collecting those Box Tops you’ve clipped within the next few months, however Box Tops is changing to fit today’s families.

- The new Box Tops mobile app allows you to scan your store receipt
- Find participating products and instantly add Box Tops to our school’s earnings online.
- Download the Box Top app and for each top you scan they will donate 10¢ to the school! Go to btfe.com to download the new app!
